

118149

AIR FORCE APPROVAL OF CONTRACTOR'S PILOT		DATE October 26, 1958	Budget Bureau No. 21-R118.1 Expires 30 Apr 1959																																																																																																																																	
1. NAME OF PILOT (Last, First and MI) Bayer, Albert W.		2. ADDRESS OF PILOT (No., St., City, Zone and State) 3201 Paseo Del Campo Palos Verdes Estates, Calif.		3. DATE OF BIRTH 1/26/25																																																																																																																																
4. PILOT'S PHYSICAL EXAMINATION																																																																																																																																				
A. CLASS OF EXAMINATION CAA Second Class		B. NAME OF EXAMINER Edwin D. Warren, M.D.		C. DATE AND PLACE OF EXAMINATION 8/27/58 Los Angeles, California																																																																																																																																
5. CAA PILOT CERTIFICATE (Number, Date, Privileges and Ratings) Commercial 373018 Jan.1945 Land & Sea Helicopter Autogiro Instrument.			6. NAME AND ADDRESS OF CONTRACTOR REPRESENTED Hughes Tool Company-Aircraft Division																																																																																																																																	
7. TYPE, MODEL AND SERIES OF AIRCRAFT TO BE FLOWN Hughes Model 269A (Army YHO-2HU)			8. CAPACITY (Check One) <input checked="" type="checkbox"/> PILOT <input type="checkbox"/> CO-PILOT <input type="checkbox"/> INSTRUCTOR PILOT																																																																																																																																	
9. PURPOSE OF PILOT APPROVAL AND CONTRACT TO WHICH APPROVAL APPLIES																																																																																																																																				
A. <input checked="" type="checkbox"/> ENGINEERING/EXPERIMENTAL PILOT <input checked="" type="checkbox"/> SERVICE PILOT <input checked="" type="checkbox"/> PRODUCTION ACCEPTANCE PILOT <input type="checkbox"/> OTHER (Specify in Detail)																																																																																																																																				
B. CONTRACT NUMBER AND EXPIRATION DATE																																																																																																																																				
10. ALTITUDE AT WHICH FLIGHTS ARE TO BE CONDUCTED (Check One or More) <input checked="" type="checkbox"/> A-BELOW 10,000 FEET <input type="checkbox"/> B-ABOVE 10,000 FEET <input type="checkbox"/> C-ABOVE 48,000 FEET			11. INDOCTRINATION (Reference Item 10) (If B is checked, give date and place of last physiological/altitude indoctrination. If C is checked, give date and place of last pressure suit and physiological/altitude indoctrination.)																																																																																																																																	
12. FLYING HOURS AND PILOT EXPERIENCE (List jet aircraft first, conventional and then all others. Indicate Instructor Pilot time by an asterisk*)																																																																																																																																				
A. TOTAL FLYING HOURS LAST SIX MONTHS (Additional hours may be listed on a separate sheet)																																																																																																																																				
B. TOTAL FLYING HOURS FOR 4) YEARS PREVIOUS TO THE TIME LISTED IN ITEM (A) (Additional hours may be listed on a separate sheet)																																																																																																																																				
<table border="1" style="width:100%; border-collapse: collapse;"> <thead> <tr> <th rowspan="2">TYPE, MODEL AND SERIES AIRCRAFT</th> <th colspan="3">A. LAST SIX MONTHS</th> <th colspan="5">B.
